Subject: Request for travel money for Bristol Bay: September and October

Hello Michelle, Thank you for funding the September trip to Anchorage for Phil and me for a meeting of the Fisheries Team of our watershed Assessment. This meeting will be attended by the ORD modelers and fisheries scientists and our contractors and is key to figuring out how best to quantify our assessment of the potential risk to fish.

We also have important travel October 11-14. We can wait until we have a budget to arrange this travel but I thought I would give you an estimate for that as well in case you are going to be forward funding any October travel. PLP is convening a meeting to present their Environmental Assessment work to the Agencies. Phil and I both need to attend.

September 28 and 29, 2011 - Watershed Assessment Fisheries meeting:
Phil - \$500 for driving 2 nights lodging and per diem
Rick - \$1700 for flight, 2 nights lodging, per diem and local transportation

October 11-14, 2011 - Pebble Partnership Environmental Studies Meeting
Phil - \$1000 for driving, 4 nights and per diem
Rick - \$2300 for flight, 4 nights and per diem
